Some lives are like horse shoes - the longer they wear the brighter they grow. Busy housewives who use the many labor saving devices offered by the Springfield Gas and Electric Company never seem to grow old. Their work is a constant pleasure. A gas range will keep your wife young. All the world hates a stingy man. Don't be one. Cheer your wife's heart by ordering a Chicago Jewell Gas Stove and live in the "Sunshine Belt."

Children Love Waffles

So do grown-ups. There would be eaten if it were not such a bother to make them over a hot fire. The Gas Waffle Iron saves all the trouble and makes waffles of a crisp, delicious flavor.

Don't

That Child!

Why handicap him in the race of life? Nothing so good as a portable gas light for children's eyes!

IT KILLS THE CHILL

Spring weather is almost here. A furnace fire will be uncomfortable during the day time, but none has a needed morning and evening. Just enough to kill the chill. A Gas Heater is just the thing.

The "Vulcan"

Gas Water Heater can be attached to any kitchen boiler.
